To All Members:

Re: Fund Raising Committee.

We have received applications to be part of the “Fund Raising Committee” as requested of all members in my email of August 17, 2021.

We did not receive the requested number of applicants, so I have appointed members of the Executive to round out this 5 person committee.

The members of the Committee are:

Harry Carruthers

Bonnie Smith

Robin Woods

Michael Ditlove

Lynn Leedham

The focus of the Committee will be to establish a plan moving forward to raise funds to service the required commitment to the City of North Vancouver for the replacement of our artificial turf in 10 – 15 years.

There have been several suggestions as to how to achieve this, but a game plan must be in place. We do not want to raise membership fees for this reason.

This Committee will be reporting to the Board of Directors on a quarterly basis.
