

Cribbage during the 2024 summer season:

The format will be the same as played during the winter season. There will be a sign up for convening and if the players want coffee/tea we will have a sign up for that as well. We will continue to distribute 25% of money collected to the club.

We will play on Mondays, except for holidays or scheduled competitions. Start times will be at 10:00a.m. in April and May and when the Spider bowling changes their start time to the morning for June, July, August, and September we will start at 1:00p.m. We will ask that the NVLBC website calendar will be updated with this information.

No cribbage on the following dates:

- May 20th, Chadwick Triples
- July 1st, Lions Gate Charity Cup.
- July 15th, BC Week
- August 5th, Stella Jo competition.
- August 26th, Fraser McLeod.

The winter season will start up again on October 7th.
